

11-520 3-arm crossbar

DESCRIPTION

The 3-arm crossbar offers space for a total of three trigger hooks and thus ensures optimal load distribution. This guarantees a particularly secure hold of the trigger hooks on the part to be extracted. The hooks can be moved steplessly on the crossbar depending on the desired span

RANGE OF APPLICATION

As an accessory for optimal load distribution with 3 arms.

BENEFIT

- 3-arm design ensures an even distribution of force and allows for greater pull-off forces

OPERATION

MASTER DATA

GTIN	4021176035333
Country of origin	DE
Material	Tool steel
Series	11-T
Net weight [kg]	12,565 kg
Gross weight [kg]	
Package contents	1 piece
Packaging Act	PP 05
